

HB Body Boards

Hot Buttered have been designing and making body boards for 20 years, resulting in influential, cutting edge construction and performance.

Kingo's Surf Shop stocks HB's entire range of Body Boards. In 2008 HB's team is amongst the most elite in the industry, with the **West Coast's** very own **Matt MacArthur** on the team. In turn HB has developed the most versatile range of Body Boards for all levels of wave riding.
